All illustrations are artist's concept. Specifications and conditions are subject to change without notice. Actual usable floor space may vary from the stated floor area. Tile patterns may vary. Window size and location may vary. Location of furnace, hot water tank and support posts and beams are determined by the HVAC designer and architect respectively. Number of exterior steps may vary depending on the lot and the grading of individual home sites. Please see Sales for details. Materials, suppliers and upgrades may vary by builder. E&OE. TH2301
